This year's theme is **Going Where No Claim Has Gone Before** with a subtitle of *"Adding Some Creative 'SPACE' to the Claims Process"*. In summary, we're celebrating good claim customer service with adjusters' activities that are sound, but might fall "outside the box." The Trade Show will be held on Friday, October 6, 2017. Setup starts at 12:00 noon, with a "soft" opening at 4:00 PM, with the showcase beginning at 5:30 PM. Please keep in the spirit and decorate your booths in accordance with the theme(s), which can include astronomy, space flight or even a little tribute to a certain futuristic science fiction TV show that just celebrated its 50th Anniversary! Awards and recognition will be given to those most creative!
